

Hire a hat for Charity!

What do you do when you adore hats and want to support research into finding a cure for a dreadful disease? Jenny Rimmer, formerly an Occupational Therapist working at the Princess Royal Hospital, decided to start a hat agency. Starting with her own hats and adding to it by donation and astute purchasing Jenny has built a collection of over 300 beautiful hats, all of which are available for hire. So if you are off to Royal Ascot, a wedding or just need a hat for that special occasion give Jenny a call on 01825 723746. You will find the prices most reasonable and all the profits are given to the Motor Neurone Disease Association.
